

For ***MONDAY, May 6th or Tuesday May 7th***, you will give a mini presentation to the class telling us *what you used to be like and what you used to do when you were young*. You must bring in **4-5 props** for your presentation AND **a photo of yourself when you were young**. The props and photos will serve as your reminders of what you want to say. You will have all day in class to work on Friday to draft some statements and ask me questions. On Monday or Tuesday you will TELL us about your childhood, not read from a paper.

Your presentation must include the following components:

- description of “how” you were when you were young... (SER with adjectives – physical & personality)
- what you used to dream about...
- at least 3 sentences about what you used to like/ what you used to do
- things you used to do with friends and family
- something you didn’t like or something that used to bother or annoy you
