### Present Progressive/El presente progresivo

This tense is used to emphasize that something is happening RIGHT NOW.

It is a compound tense that uses a conjugated form of ESTAR to agree with the subject and ando/iendo.

«ing»

estoy	estamos
estás	
está	están

For AR verbs, drop the AR and add ando to the stem.

For ER/IR verbs, drop the ER/IR and add the iendo to the stem.

### Commands/Los mandatos

Commands are used to tell somebody DO! or ¡DONT!

Tú commands are directed toward you → 1 person familiar/informal

+ Affirmative/ **DO**

1. form tú
2. drop 's'

**Preterite Tense/El Pretérito**

The preterite is used for:

**AR**

é	amos
aste	
ó	aron

<b>ER</b>	←	<b>IR</b>
í	imos	
iste		
ió	ieron	

\*\*There are no "true" stem changes in the preterite as we have them in the present tense. Remember that AR and ER verbs have no changes, but the IR verbs have a "sandwich" change. For any IR verb that has an o-ue/e-ie/e-i stem change in the present, it will change o-u or e-i in the 3<sup>rd</sup> person singular (él/ella/usted) and 3<sup>rd</sup> person plural (ellos/ellas/ustedes). Some examples are... *dormir/servir*

For AR verbs ending in CAR GAR ZAR, there is a spelling change in the yo form only to maintain the true sound: C-QU/G-GU/Z-C.

For IR verbs with double vowels, (such as leer, creer, reír) the 3<sup>rd</sup> person singular and 3<sup>rd</sup> person plural will have a change from "i-y". In addition, all other forms will have an accent on the "i" for pronunciation reasons. (leí, leíste, leyó, leímos, leísteis, leyeron) ←

still use "regular endings"
